Assisted Streets Division with street and pothole repairs

Staff installed a new commercial freezer for FSA at Community Center

Located and marked sewer lines in response to a Dig Alert request

# City Manager Update Backpage

Brian Tisdale from RivCo Emergency Management has inquired if the City would be willing to host a testing center for those unable to travel to other locations.

- The Community Center would be a prime location
  - Catering to senior population & diverse communities
  - Possible to Set Up Next Week
  - People would call the phone number to get a test time
  - Approximately used for a week or two, a couple of days per week
- 
- If there is consensus on that, I will contact him and make arrangements with FSA and RivCo Emergency Management
- 
- Deputy City Manager Tom Prill has an economic report focusing on the affects of COVID on the City's budget
