#NDLM National Donate Life Month {Ignite San Jacinto, Healthy Cities}

Did you know - One person can save eight lives and enhance 75 others through organ, eye, and tissue donation. April is National Donate Life Month, the City of San Jacinto invites you to learn more about organ, eye, and tissue donation. To learn more or to sign up to be a donor visit: www.donatlifecalifornia.org.

Be safe, call before you dig!

Beautiful weather is around the corner and residents are beginning outdoor projects, The City of San Jacinto reminds residents to be safe and contact Dig Alert before they dig.

Buried utilities can exist just about anywhere on your property - hence the importance of checking with DigAlert before digging. You can prevent damage to underground utilities and avoid service interruptions simply by utilizing **DigAlert Direct** or calling 811 two (2) working days NOT including the date of notification (4216.2(b)) prior to starting your excavation. This is a **100% free** service, and more importantly-it's the **law**. For more information or to schedule your DigAlert visit: www.digalert.org or call **811**.

Code Corner

Spring is officially here!! That means all types of vegetation are growing. Code Enforcement reminds property owners of the importance of maintaining the vegetation overgrowth that may be present on properties. This includes residential property, commercial property, or vacant land. Overgrown vegetation can cause detriment to neighbor properties or property values, can become a fire hazard, and even obstruct the necessary view of drivers. Continued cooperation goes a long way in the collective efforts to keep the community clean, safe, and beautiful. If you have any questions or concerns property owners may contact the Code Enforcement Division at 951-487-7330 or email us at CodeEnforcement@SanJacintoca.gov.

MEASURE V IN ACTION

Measure V was passed by San Jacinto voters in November 2020 with 67% approval. Measure V will generate the necessary revenue to increase the City's response to 911 emergency medical, fire, and public safety needs, as well support local businesses (save jobs), attract new business (new jobs), new amenities, and allow the City to remain on a strong financial footing for future years to come. Measure V adds one penny on the dollar to each good and service purchased inside the City limits of San Jacinto. Upon passage, staff worked diligently to kick off essential programming in response to COVID 19 and feedback received from the Community Needs Survey. Measure V will begin collecting the additional cent per dollar spent at San Jacinto businesses on April 1, 2021.

Without Measure V's approval these quality of life programs and additions would not have been possible.

EMERGENCY SMALL BUSINESS GRANT

On Tuesday, November 17, 2020, the City Council approved funding for the San Jacinto Small Business Emergency Assistance Grant Program. The program is intended to provide COVID-19 economic relief to local San Jacinto small businesses. A total of \$147,500 has been granted to eligible small businesses in the City of San Jacinto. The recipients are as follow:

Round 1:

California's Party Supply
Golden Chopstix
Homerun Zone
Los Mareados
Namerris
Taqueria La Huasteca

Arrow Printing
El Ojo De Agua
Morgan Imports
ServPro of San Jacinto
Stadium Pizza

Round 2:

Nachos Auto Electric
Rachel's Beauty Salon
Tita's Beauty Salon
Amer-Mex Mfg. Inc.
Bolo's Barber Shop
San Diego Screw Products

HARP OUTREACH

The City of San Jacinto, through its Community Outreach Program launched the Homeless, At-Risk-Population (HARP) Outreach in January 2021 to address the needs of those affected by homelessness and/or at risk populations. The main goal of HARP is to educate, encourage, and enforce through a balance approach. HARP has performed its own multi-day Census, held a community clean up day, helped with a multi-agency clean up/ removal of debris from the San Jacinto Riverbed, established an outreach plan with San Jacinto Sheriff's Department, and has created a community network of volunteers, community partners, and agency partnerships to help assist the vision. For more information or to become a partner with HARP, contact the City at (951)487-7300 x 756 or email: harpoutreach@sanjacintoca.gov.

NEW FIRE ENGINE & CREW

March 2021, Engine 25 was returned to service in the City of San Jacinto. The restored engine and crew which was out of service in 2014 due to budget constraints, was needed in order to sustain the life saving operations within the City.

Engine 25 helps meet the needs of the community by decreasing response times, and allowing the level of service to meet the standard in Riverside County. The City purchased a new engine for station 25 and is currently operating with a loaner to deliver increased service until the City's new engine is delivered.

A Virtual City Hall

Doing things a little different ...

Although the doors to City Hall remain closed to the public City staff continues to provide services. Residents may access services via online, or in person by calling the front desk at the time of arrival. Below is a list of services we have and how to access them.

City Council Meetings: Held every 1st & 3rd Tuesday of every month. Call-in and virtual access are posted on the City's webpage. Meeting agendas are posted the Thursday prior to the scheduled meeting date. For speaker slips, please contact awalton@sanjacintoca.gov or jespinoza@sanjacintoca.gov
