

Basin Light Pilot Program: Basin #7

*Let there be light.* **The Basin Light Pilot Program**

Recently the City of San Jacinto initiated the Basin Light Pilot Program. This pilot program's purpose is to get all the lights in the Rancho San Jacinto basin and channel areas in working order. The program is a 3-5 year plan based on funding availability. Currently, there are 10 basins and 3 channels North, Center, and South that have lights that have not worked in over 10 years. Some lights will be repositioned for better light coverage.

The installation at Basin 7 (Villines Ave. and Washington Ave.) is part of the first phase and is now completed. The completed installation has received a lot of positive feedback from the residents in the area. During the second phase of the program, solar LED lighting will be installed. The solar lights only requires 6-7 hours for a full charge and will work 10-12 hours on that full charge.

**UPCOMING:**  
**Virtual/Call In Council Meetings:**  
**May 4th & 18th, 2021**

**Planning Commission:**

# GRANT APPLICATION FOR STREET OUTREACH:

The City of San Jacinto through the HARP the program has applied for funding through the Riverside County's Housing,

Homelessness Prevention & Workforce Solutions (HHPWS) Department Round 2 of the Emergency Solutions Grant- CARES Act Funding (ESG-CV2), with an intent to fund street outreach and bridge housing. Street outreach would be focused on those affected by homelessness, or who are at risk of becoming homeless. The street outreach would be performed by City Net. City Net is a team dedicated to addressing homelessness, in a city or region, through the coordination of community efforts and activities. Since 2014, we have worked together to provide data-driven services that will result in ending street-level homelessness within the communities we serve. We work together to provide services that will result in ending street-level homelessness through the provision of street outreach, case management, housing navigation, bridge-housing, reunifications, community mobilization, and census coordination. Stay tuned for the announcement if the City has received funding. For more information visit [www.sanjacintoca.gov](http://www.sanjacintoca.gov).

## WAIT, DON'T FLUSH THAT!!

The Department of Water, Power & Public Works would like to remind you to **think before you flush!** PLEASE DO NOT USE THE TOILET AS A TRASH CAN. Flushing inappropriate items can cause costly sewer station repairs and have potential to cause sewer backups into your residence. By being mindful you can prevent yourself from incurring a hefty plumbing bill. Please help maintain the City sewer collection system by not flushing the following items:

### A list of items to NOT to flush:

- Medication
- Plastic
- Bags/Bottles
- Diapers
- Condoms
- Cloth
- Rags/Towels
- Feminine Products
- Grease/Fats
- Paper Towels
- Baby Wipes/Flushable Wipes
- Dental Floss

## Did you know that May is National Walking Month?

May is national walking month. Walking is a fantastic way to keep active and maintain a healthy heart as it is fun, flexible, and free.

The City of San Jacinto encourages families, friends, and neighbors to participate in the month by scheduling walking times at the local parks, MSJC's track, or simply on your neighborhood sidewalk!

Follow us on social media and share your photos from your walking emojis and use #SJWalks, who knows we might feature you on our page!
