TRAFFIC CONTROL IS REQUIRED FOR ANY WORK WITHIN THE CITY RIGHT-OF-WAY

Approved By:

Refer to notice on back page.

NOTICE

The Public Works Engineering Department, City of San Jacinto, shall be notified 48 hours prior to any construction. TELEPHONE: (951) 654-3592. If Public Works Engineering Department is not notified, any work performed is subject to immediate removal.

Subject to the provisions of City of San Jacinto, Ordinance 97 and 2234 and Resolution No. 1613 and all terms, conditions, restrictions, specifications, standards and rules and regulations of the City of San Jacinto or any other public agency written below or printed as general or special provisions or incorporated herein by reference:

The City of San Jacinto specifications and/or standards are hereby referred on demand to any authorized representative of the Public Works Engineering Department.

This permit is to be strictly construed and no work other than that specifically mentioned above is authorized hereby. Performance of the work shall be deemed to be acceptance by the Permittee of all terms and conditions of this permit and Resolution No. 1613 and any other applicable City regulations.

Contractor is responsible for returning a completed Road Closure application to the Public Works Engineering Department forty eight (48) hours prior to the closure of/or reduction in width of any streets. Failure to do so will result in a work stoppage.

The following requirements pertain to this permit.

- (1) Permit not valid without underground service to alert ID number.
- (2) This permit is issued to the utility company only. The contractor is required to also obtain a Public Works permit, The City of San Jacinto Hold Harmless Agreement, and obtain a City Business License.
- (3) Comply with standard and special conditions and utility trench surface repair attached.
- (4) Permit not valid without signature of field inspector, following the required preconstruction meeting.
