#### FISCAL YEAR 2023/24 LEVY SUMMARY

The City Council of the City of San Jacinto (the "City") authorized the formation of Landscaping, Lighting and Park District No. 1 (the "District") pursuant to the Landscaping and Lighting Act of 1972, Part 2 of Division 15 of the Streets and Highways Code (the "Act") on June 16, 1992.

The District provides funding for the installation, operation, maintenance, and servicing of: streetlights and traffic signals; landscaped areas (parkways and medians, etc.); and municipal parks on a citywide basis, all of which are located on public land, public rights-of-way, or in landscaping easements in the City.

The Act provides for areas within the District to be classified into different zones of benefit. The District is divided into separate zones and sub-zones for the funding of landscaping, lighting, and park improvements.

Maximum assessments rates are not increased annually.
